In keeping with the idea of personal testimony, we are going to take time to write out our story. The great part about a testimony is that if you have accepted Christ as your Lord and Savior then you have a testimony. Every testimony has three main parts to it.

1. Your life before Christ.
2. How you came to know and accept Him as your Lord and Savior.
3. How God is working in you now.

Use the space below to write your testimony. You can refer back to Paul’s testimony in Acts 26 as a refresher. And remember, while it is your story, it is not about you, but about the hope that is in you!
